

Coast Soccer League's Commitment

1. Deliver the best competitive youth soccer experience in Southern California.
2. Work to ensure everyone experiences the game in a positive, safe playing environment.
3. Highlight the influence soccer has on the development of character, values and life skills.

Coast Soccer League recognizes that in order to honor this commitment, they need the organizations, teams, coaches, referees, team managers and families that make the game day experience come alive to be part of this effort. Recognizing this commitment is the platform for the CSL 5 Star Awards.

Coast Soccer League's 5 Star Awards

The award honors those organizations, teams and individuals that were recognized by their peers as having played a role in the creation of a 5 Star youth soccer experience.

Each week using the 5 Star rating app, teams and referees were able to offer immediate feedback on their game day experience. It is those ratings that highlighted the organizations, teams and individuals who are being recognized as having played a role in the creation of a great game day experience throughout the season,

Coast Soccer League's 5 Star Awards

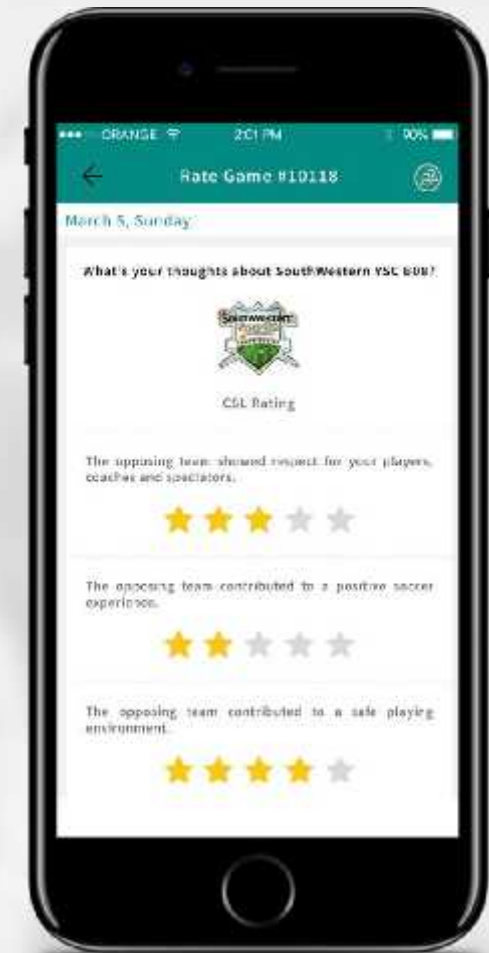

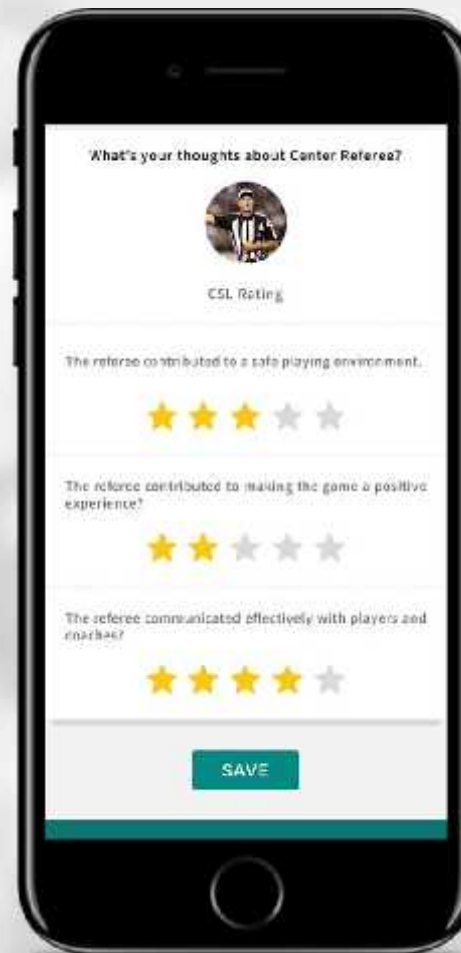

Coast Soccer League is recognizing all of the standout organizations, teams and individuals in each category with certificates, and CSL is giving the 5 Star Award winners both certificates and a gift certificate.

CSL wants to thank the clubs, teams, players, families, coaches, team managers, referees and referee associations that make up the more than 127,000 people who are part of the Coast Soccer League community. Because of the community the 2019 Fall season was a great success, offering great competition on the field, with great memories being created every weekend.

The CSL App

The CSL game day rating system allows teams and referees to offer feedback on their game day experience after every game. This App makes CSL the industry leader in the use of technology to improve a family's game day experience

Coast Soccer League uses this feedback to recognize the 5 Star Awards winners and to assist in future decisions about improving the family game day experience.

CSL Breast Cancer Initiative

Every member of the CSL community plays a role in making sure that everyone experiences the game in a positive, safe playing environment. The No Victory Without Honor program ensures that CSL can offer a competitive soccer experience in an environment that honors the shared values of the league and its stakeholders.

A safe, positive playing environment is not only a basic expectation of every family that commits their child to play, it is essential to the creation of the best possible soccer experience. The Soccer Safe program allows the league and its stakeholders to create the culture awareness and communication that ensures that everyone experiences the game in a safe, positive playing environment.

The CSL Breat Cancer initiative not only brings awareness to something that has touched so many families in the CSL community, it also allows organizations and teams to create a shared experience that goes beyond the field. By engaging in this initiative players are not only helping others, but learning life lessons that will last long after the game is over.

SOCCERSAFE[®]

First Aid Kits & Basic Soccer First Aid Direction

Each CSL game is played with at least one First Aid kit on the sideline

- Emergency blanket
- Various sized band aids
- Various sized bandages
- Scissors
- Safety pins
- Cold compress
- Eye pad
- Eye wash
- Splint
- Adhesive
- Tourniquet
- Antiseptic wipes
- CPR face shield

CSL Breast Cancer Initiative

CSL moved beyond game day experiences to engage families in an off the field shared experience

The CSL Breast Cancer initiative not only brings awareness to something that has touched so many families in the CSL community, it also allows organizations and teams to create a shared experience that goes beyond the field. By engaging in this initiative players are not only helping others, but learning life lessons that will last long after the game is over.
