NEW PARTNERSHIP

CSL is always looking for ways to enhance the soccer experience for our members and believe this partnership with GameChanger is a perfect fit. GameChanger is the #1 rated youth sports app for team management and live streaming. The app helps Coaches to schedule and manage practices, helps with communication, and our favorite, you can live stream and record both practices and games so you never miss a moment.

As part of the partnership, GameChanger will also take part in live streaming all of the Finals of the League Cup. This is a great opportunity to showcase the talent in CSL and involve more people in the excitement of the Cup Finals.

Bring The Game To Anyone, Anywhere

GameChanger allows confirmed Family and Players to stream games and practices. If you'd prefer to only give Staff members the ability to keep stream for your team, toggle the "Only Staff" option from the "Streaming Permissions" screen. The staff member streaming the game can choose between allowing only family members and players (for teams whose age group allows for players to have their own account) to see the live stream, or allowing family members, players, and team fans to see the live stream.

It's free for staff members to stream, watch, and access the video archives. Confirmed members and fans can watch the live stream for free, but advanced features like accessing the video archives, the box score, play-by-play and the plays announcer require a subscription.

"GameChanger's technology will make it easier than ever for our coaches and team managers across our 180 clubs and 2000+ teams to live stream action for family, friends, and fans who can't be there. We're a big believer in the product and look forward to introducing it and communicating its benefits to our clubs and teams."

- Bernard Towers - President, CSL

Visit the CSL website to learn more how you and your team can start using this Game Changing App!

FC DEPORTIVO

BOYS 2008

FC Deportivo Norwalk Toritos 2008 was established in 2012. They began playing in the Norwalk Youth Soccer League and a few years down the line made the move to CSL. Toritos has done a great job moving up the CSL latter starting with bronze then moving to silver the following season. Then again moving up silver elite the following season and now having the privilege to play premier. Coach Israel Ramirez has worked hard on and off the field to help the boys be where they are now. Toritos has played many tournaments in the past years, traveling to Las Vegas and Arizona every Thanksgiving for the past 4 years placing 2nd place in the Las Vegas Thanksgiving Classic in 2018, 1st place in the Arizona Dessert Cup 2020 and 1st place in the Las Vegas Thanksgiving Classic in 2021. Over the years the boys have also participated in multiple tournaments in Southern California bringing home the 1st place trophy.

This team is not a big name team, this team does not come from a club that has multiple teams, this is a small club that has two boys 2008 teams (one in Premier and the other in Division 2). The team is composed of 90% of them living in Norwalk and the surrounding areas. They work with what they have and regardless of the many adversities have managed to continue working towards the top. Last season they had the privilege to be invited to play CRL, finishing in a tie for 3rd place. They continue to work hard and now starting to work towards playing High School as well.

Over the years the team has become more and more like a family. I want to thank everyone that has played a role in helping these boys continue to work towards the top. Thank you to the sponsorships we have received to help with tournaments and uniforms. Thank you to the parents that have spent countless hours and miles to have their child be part of this team, for cheering loud and proud from the sidelines, for baring with the hottest and coldest weather they could of imagined and for just being a key part of this team.

Finally, Thank You boys for being you. Thank you for giving it your all even on days you didn't want to. Thank you for having each other's backs and always representing the name of your chest with pride. Keep an eye out for these boys, because they are headed for great things..... Goalie Luis Covarrubias, our defenders Armando "Beast" Agraz, Ernesto Zavala, Samuel Esquer, Gabriel Pelayo, Maxi Ortega, Juan Navarro and Marlon Gonzalez. Taking care of the midfield we have Mark Villanueva, Brayam Churape, Nigel Mendoza and Angel Tinajero. Last but not least our forwards Juan Ramirez, Ethan Guzman, Cruz Gaytan, Nathan Garcia and Brian Navarro.

DOWNEY FC

GIRLS 2004

For Downey FC 2004 this will be their first season in the CSL Premier League under the coaching leadership of Jose Gutierrez. He brings to the team the coaching staff of Jorge Quintero and Octavio Calvillo. This year the team looks to build on what they have already established. Downey FC is dedicated to playing a high caliber style of soccer. The coaches emphasize the fundamentals of communication and fitness of soccer. The team returns this season from an impressive prior season where they returned from regionals in Idaho with a core team that has added talent and hopes to continue with a successful winning season. The team had a great showing in CRL league previously and has been a finalist in the SWSC Showcase, State cup and they also were a finalist in the SoCal Elite Challenge.

Downey FC 2004 is a team of dedicated girls who not only excel in soccer, but also with other sports such as track and field. We have girls that have achieved scholar athletic awards, all academic honors and other accolades while volunteering, holding down jobs. and managing a rigorous academic schedule. The girls are supportive and encouraging of one another and they shared that they are "very inclusive" and like the "camaraderie" of the team.

The team would like to thank the CSL premier league for providing a top quality college level prep soccer league with exposure at college ID camps and tournaments with a competitive drive. Also, we would like to thank The City of Irvine for allowing us to play our league games at The OC Great Parks and the city of Downey for providing practice fields. Most importantly, thank you to the dedicated parents who have supported and continue to provide our girls with the opportunity to do what they love to do, which is playing soccer. We are looking forward to this upcoming CSL Premier League with enthusiasm and energy as we strive to excel in our games. For some of our girls this will be their final year of club soccer and senior year in high school. We wish all our girls success in the future playing soccer at the collegiate level or whatever level of soccer comes next for them.

CERRITOS UNITED SC

GIRLS 2005

After an impressive 2021-2022 campaign Cerritos United SC G05 looks to expand on last year's success. Joining Coast Soccer League's Premier division last year, the team finished as finalists.

On top of that, CUSC were Cal South National Cup Champions and placed in the Quarter finals of the Far West Regionals in Boise. Since their formation the team has achieved success through the years, having won multiple championships together including; Southern California's Governor's Cup, President's Cup and Champion Division of the Development League, while competing in College Showcases nationwide.

Not limiting themselves to on-field success, the team is comprised of players determined to succeed in the classroom and pride themselves on being scholar athletes. The team carries an average team GPA of 3.93. The focus of this team is higher education and it is not uncommon for these girls to challenge themselves with several AP classes, honors classes and student body commitments.

In addition to being an elite team comprised of high-level scholar athletes, community service also plays a big part in their development as people. They continue to volunteer with organizations such as; The Long Beach Rescue Mission, various Beach clean ups, The Ronald McDonald House and many others.

Grateful to be a part of the CSL Premier League. This wonderful set of young ladies is ready to give this season their all and continue to strive for success!

APPLE VALLEY SC

GIRLS 2007

AVSC Storm Girls 2007 are thrilled to be back in CSL Premier League for their second season. The Premier League competition is fierce, and no two teams are the same, so you must be prepared for every element of the game. AVSC Storm Girls 2007 is made up of a diverse group of girls, but what makes them stand out is that they all share the same drive and passion to compete. You can never count these girls out of a game or competition, regardless of the score, team, or tournament they are competing in. Head Coach David Banuelos, Assistant Coach Phil Riley, Assistant Coach Memo Torres, and Manager Gabby Banuelos are all driven to see these ladies succeed now and in the future.

These ladies have accomplished so much within a year! California Regional League Champs, National Cup Finalist, Surf Cup College Showcase Champs, as well as having an amazing opportunity to represent Apple Valley SC Storm, CSL and Calsouth in Idaho for Far West Regionals. Our standards have been set high this year and we hope to be able to represent not only our Club but the league as well!

AVSC Storm Girls 2007 was formed in 2017 and have since progressed to become the squad they are today. It was not an easy route by any means; our coaches and management set high expectations for them, which they met and exceeded. Every year, new goals are made, and this year is no exception, therefore we are all looking forward to the results. Our path was divided into four seasons: Bronze, Silver, Silver Elite, and Premier. AVSC Storm has a great team to represent this season with Mia Reyes (C), Abigail Riley (C), Yzabelle Torres (C), Miranda Banuelos, Cristal Magana, Breanna Torres, Valerie Guzman, Kylie Flores, Payten McClain, Giselle Perez, Juliana Perez, Katy Beck, Alia Collins, LaRaya Jackson, Jennifer Moz, Gisselle Martinez and Marisol Rivera. This year is no longer about following our brother and sister teams; it is about AVSC Storm Girls 2007 creating their own legacy.

COASTAL VALLEY SC

GIRLS 2007

Coastal Valley Soccer Club is based out of the Santa Maria Valley. CVSC Real G07 came together in 2017 when coaches, Mat Jordan and Saul Ramirez brought a group of all star players from local rec leagues to start a club team within Coastal Valley Soccer Club.

Some of the goals the coaches discussed when they started Real was to create a fun and challenging environment where girls could work on their individual development while learning what it means to play within a team atmosphere. The ultimate team goal was to one day earn their invitation to play in the CSL Premier Division. Fast forward six years later and Real still has the same core group of players who began back in 2017 when they were playing 9v9. Some amazing players have joined Real over the past several years and the team has shown a lot of success on the pitch, winning more than 10 tournaments and playing in two straight State Cup Finals. Over the summer, Real won their 100th competitive soccer game as a team.

The team is full of talented young ladies who all have the desire to play soccer at the college level. As hard as these girls work on the field it is the team bond and chemistry that has truly brought out the team's success. Real is now starting its sixth season in the Coast Soccer League. In the past four straight CSL seasons, Real has successfully won first place in Bronze, Silver, Silver Elite and most recently Gold. The team is extremely excited to have earned the opportunity to play with some of the best teams in Southern California. Thank you to CSL Premier for this opportunity and we look forward to a season full of great competition.
