# CSL, Where Winners Emerge

**The game today is heavily focused on player development, won loss records and the idea that a college scholarship is the way in which the value of the game is measured. As this commentary became a national rallying cry, for some the game has become less enjoyable.**

At Coast Soccer League we are passionate about the value of families having their child participate in soccer, we have always believed in the greater value the game offers; its influence on the development of good character, the influence it has on higher graduation rates, how sports raises risk aversion in areas such as smoking, drinking, gangs and teenage pregnancies and the influence it has on social skills such as team building, leadership and learning that failure is an opportunity to grow. These areas of sustainable value are desirable to every family and lifetime value is what CSL encourages soccer organizations to highlight.

By highlighting this greater value to families, clubs differentiate themselves from the competition, build their own brand and create a platform to thrive.

There can be no greater ambition for a parent than to see their child develop positively in all these areas and so the value to a family of keeping their child in the game is much greater than any won/loss record or the slim possibility of a college scholarship.

For more than 50 years Coast Soccer League (CSL) has led the way in providing young players a place to play competitive soccer. The league has played a pivotal role in the growth and success of youth soccer in Southern California. The league has grown to become one of the largest youth soccer leagues in the world with almost 30,000 families involved.

CSL is committed to excellence both on and off the field, and central to the league's success has been the ongoing effort to engage everyone in the creation of a safe playing environment. A positive, safe soccer environment is a basic expectation of every parent who commits their child to play, and CSL works consistently with clubs, referees and league partners to meet this expectation.

Coast Soccer League also understands that different individuals carry different aspirations from their involvement in the game.

For players it's the effort to improve and play at a level that challenges their skills; for parents it's the desire to see their child create a platform for success in life, soccer helps combine the valuable lessons learned on the field, with those learned in the classroom.

Referees have a commitment to developing their skills and officiating at higher levels of the game. For coaches it's the desire to sharpen their skills and assist in the growth and development of the young player, and for administrators it is the effort to distinguish their program from the competition and create a successful club environment.

At CSL we understand the unique aspiration of each group and we are committed to supporting them all while continuing to provide the most competitive, well run soccer league in the country.

Have a great season.

Bernie Towers,  
President,  
Coast Soccer League

## GIRLS 2007

Autobahn Soccer Club (ASC) is honored and proud to be part of the highly reputable Coast Soccer League (CSL) Premier Division. The 2007 girls are led by Coach Joao Lopez. ASC has a fierce group of girls with diverse backgrounds all working together as one unit on the soccer field. These girls come from varying high schools around Los Angeles which include Santa Monica High School, Venice High School, Culver City High School, Hamilton High School, Palisades Charter High School, and Marlborough High School, just to name a few. These exceptional players are dedicated students both on and off the field with the majority taking advanced classes while maintaining high GPA's. Many of the girls participate in other school activities such as volleyball, track, and dance.

The team has been together since 2021 in some capacity. At one point joining two teams from ASC club for a competitive roster. The team has lost and gained new players during these past three seasons. The girls began their CSL journey closing their first season together at the top with only one loss. They moved up to the Championship where they fought hard all season. We had several injuries that temporarily set us back. This year the girls are set and ready to join CSL Premier and showcase the many talents on the team.

# CENTRAL COAST UNITED

## GIRLS 2007

The Central Coast United G07 team is comprised of the best players from Paso Robles to Santa Maria. Through the spring and summer we have worked tirelessly to develop great cognition, character, and competence on and off the field. We are looking forward to the new challenges that face us in the CSL Premier League. Go Mustangs!

# SOCAL ELITE FC

## GIRLS 2007

SoCal Elite G07 IE Premier is proud and honored to have been selected to play in the CSL Premier Division. The team is led by Head Coach Henry Delgado and Assistant Coach Josh Estrada. We are proud of the diverse and talented group of girls that all work together as a TEAM (Together Everyone Achieves More) and work hard on and off the pitch. Our players are not only athletes, but scholar athletes with many of them maintaining high GPA's, taking Honors and AP classes while being involved in other school activities such as ASB. Many of them are also multi-sport athletes that play volleyball, cross country, flag football, and track. In addition, community involvement plays a role in character development. They volunteer in our SoCal Elite camps and Little Elites program.

Over the years the team has achieved many accomplishments such as Legends Cup Champions, San Clemente Surf Champions, California Cup Champions, Labor Day Classic Champions, Vegas Spring Showcase Champions and recent champions at the Irvine Summer Showcase and Empire Surf Summer Showcase. In league we were SOCAL Soccer League Flight 1 League Champions and CSL League Champions.

Setting team goals helps us improve team dynamics, build trust and teamwork, and the coaches and players work together to achieve these goals. One of our goals for this upcoming season is to be League Champions. While also continuing to build a positive team culture and encourage positive sportsmanship. But, most importantly, we encourage these young ladies to have fun.

Over the years the team has become more and more like a family. We would like to thank all the parents for their time and dedication. These young ladies are ready to thrive with success and are looking forward to a competitive 2023-24 CSL Premier season. Good luck to all the teams and coaches.

## CA. MADRID ELITE

### GIRLS 2007

CA Madrid Elite Beaumont G2007 coached By Sergio Olvera have been dominating the soccer fields the last three seasons and this season the plan is no different, except now the level of play. We train, we play our game, and we aim to WIN on and off the field. The girls of CA Marid Elite have truly set themselves apart in the world of soccer here in Beaumont, California. They have overcome challenges and hard losses throughout the years, but their dedication, determination, unwavering spirit, hard work, and teamwork has put them in the winning spotlight the last few seasons.

The team captains Aliyah Olvera #8, Michela Marotta #10, and Sherlyn Flores #15 play a vital role in the team's success. All of them combined showcase a balanced blend of tactical skills and raw talent that helps them to be able to demonstrate to their teammates to become an unstoppable force.

Our offense can blaze through the opponents back line with a flair of brilliance with their speed, skill and overall knowledge of the game. With assists from their teammates, they have become goal machines, netting in crucial moments, and leading the scoreboard for the team.

Another major highlight has been our rock-solid defensive back line. Their prowess in shutting down top-tier strikers and orchestration seamless transitions from defense to attack has been nothing short of mesmerizing. They are proudest of their offsides trap they can pull off so seamlessly almost every time.

But one thing the team and parents can all agree on is our goalie Samantha Ortega #1 is one of the biggest assets to our team. Her knowledge of how to defend the goal is impressive and she does it with such ease and finesse. She has saved our game leading points against some tough competition time and time again. The way she can see the field and help communicate to her team to shut it down is something that is unmatched at this level of play which plays a key role for this team.

Beyond the field is what sets CA Madrid Elite Beaumont apart is not just their skills on the field, but their camaraderie off it. Their bond, team spirit and dedication to their communities and to their local high schools are a testament to their character.

Looking forward; With their future in college sports on the horizon, the energy around the team is palpable. Under the guidance of their Coach Sergio, Team Manager Sonnet, and with the support of their families and die-hard fans, they are geared up to take on this new season and their dreams for their futures.

Join us in cheering for the girls of CA Madrid Elite Beaumont as they blaze their trail, inspiring young soccer enthusiasts and showcasing the power and grace of women's soccer.

**GIRLS 2007**

FC Man United Girls 2007 are thrilled to be making their debut in the CSL Premier League for the 2023 season. Starting in the Bronze level in 2020, this team has grown by leaps and bounds. Last season, the team secured their first CSL league title by winning all their games. It followed up that successful campaign by finishing second in the Spring California Regional League. As FC Man United's only girls' team in the CSL Premier League, we are proud of our accomplishments and are eager to represent our club and region against the top-tier teams of Cal South.

For this season, our captains are Alexa Casteneda, Sahian Espinoza, and Katelyn Rubalcava. Returnees include Alani Alday, Elicia Arita, Jessica Ascencio, Phynix Briseno, Lauren Chi, Marysol Lopez, Madelyn Rubalcava, and Florencia San Miguel. New additions to the roster include Graciella Baird, Kimberly Carrillo, Jordyn Le, Sophia Marascola, Sarai Ramos, and Julianna Rueda. These players have a wide range of interests outside of soccer, from straight-A students, club officers, yearbook editor, musicians, and K-Pop aficionados. It is truly a joy to see this diverse group of players come together on the pitch and play as a team. Head Coach Emmanuel Basulto, Assistant Coach Bryan DelReal and Trainer Daniel Rampen have instilled the values of perseverance, integrity, grit, loyalty, commitment, and teamwork to help the team reach their goals while having fun. Special thanks to our team managers, Nina Arita and Veronica Rubalcava for creating a family atmosphere that goes beyond just the players. FC Man United Girls 2007 is ready to take the next step and to make wonderful memories along the way!

# UFC CORONA WOLVES

## GIRLS 2009

We are a family centered team that loves and respects the sport of soccer. We believe in hard work, laughter, and take soccer seriously while at the same time we remember not to take ourselves so seriously. Our team plays hard and is very successful, we hold each other accountable and show those around us respect. Many of the team have been together their entire soccer lives and have picked up new family members along the way to make our team what it is today. We are proud of who we are, how we represent ourselves as individuals and as a team. We have a team philosophy and rules we all agree upon. There are four parts to our team philosophy: a) Have Fun! b) Coaches Coach, Players Play, Parents Cheer. c) Win with Character, Lose with Dignity. d) Alone we can do little; together we can do anything. We also have five rules we abide by: 1. Have fun, learn, work hard, laugh harder, believe in yourself and your teammates! 2. Sportsmanship will be demonstrated at all times. 3. Be kind to each other, no drama-zero tolerance, if there is an issue bring it to your coaches. 4. Be great examples and represent our City and Team with dignity when we play games. Respect yourself and those around you, no tolerance for bullying. 5. Give everything you have at every game, leave everything on the field, and have fun!

When asked at practice about what this team means to them for this article one burst out “Simple, Family”, we had lots of thoughts along with that but then at the end one more player spoke up after obviously giving it thought and stated, “Coach this team is about being a hard worker, dedicated to the sport and your team, and not taking opportunities for granted.”, I think we all agree.

# COASTAL VALLEY SC

## GIRLS 2009

“Players with fight never lose a game, they just run out of time.” John Wooden

Heading into a new chapter along their soccer team journey, our Vipers 09 girls team, lead by Coach Bill Reynolds, is ready to rise to the occasion this upcoming season. In May 2023, as a Division 1 team, composed of players from nine different schools representing Santa Maria and the Central Coast, was officially invited to join the Premier division this fall. Our players are composed of girls from El Camino Middle School, Mesa Middle School, Paulding Middle School, St. Louis de Monfort Catholic School, Mission College Prep Catholic High School, Nipomo High School, Righetti High School, St. Joseph High School, and Santa Maria High School. Although they are dispersed throughout two counties, our girls come together collectively to compete and thrive on the soccer field with heart and grit. The Vipers are a third-year soccer club team who just recently took part in the 2023 Far West Presidents Cup in Boise, Idaho this summer representing the state of California through Cal South Soccer Association. The results provided valuable lessons individually and as teammates to move forward with clarity and strength. They are aware that every situation, regardless of a win or loss, can be a learning experience. Prior to this tournament, our Vipers have accumulated their share of acute accomplishments and victories. Not only did the Vipers earn the 2022 State Cup Mayors Division championship title, allowing two goals and scoring 27 goals, but the following year they earned the 2023 State Cup Presidents Division championship title as well, allowing two goals and scoring thirteen goals. With our new transition to Central Coast Surf, and CVSC coming to an end, our Vipers will go down as one of the most successful teams ever to play for CVSC, as well as the only CVSC team to ever win back-to-back State Cup Championships. Other tournament and league successes include winning the 2021/2022 CSL Bronze Alpha Division, 2022 Nipomo Adobe Cup, and 2022 and 2023 SLO Junior's Classic. They were finalists in 2020/2021 CSL Bronze Alpha Division, 2022 Ventura Fusion Cup, and 2022 CSL Division 1. The CSL Vipers 09 girls have shown their determination to succeed and persevere and have plans to bring that energy to the field this fall. These girls always strive to be the best versions of themselves every time they step onto the field and when they step off the field. We pride ourselves on our team culture that was built from our players, coaches, and amazing families. We will always be bonded together as a soccer family!!

# APPLE VALLEY SC

## GIRLS 2009

Apple Valley Storm Academy G09 is proud to represent AVSC in Premier this Fall season. After playing up in Championship south 2008 bracket and going undefeated the girls look forward to coming back to play in their age group. The past year has been a bit of a rebuild, having to change coaches and having some new faces joining the roster. With all that said, this team has accomplished a lot, since forming this team.

Some of our notable accomplishments include;

- 2022 National Cup Finalists
- 2023 National Cup Champions
- 2022 California Regional League Champions
- 2022-2023 Far West Regional Quarter-Finalists
- 2023 Man City Cup Champions
- Accepted to play National League PRO for the 2023-2024 season.

Led by DOC Paul Casarez. This team is poised to continue growing and accomplishing huge milestones along the way.

# APPLE VALLEY SC

## BOYS 2006

Apple Valley Storm Academy B06 are proud to come back to Coast Soccer League Premier Division to defend their title, after going undefeated in 2022. This great group of young men are lead by DOC Paul Casarez. This team has placed multiple players on MLS Academy's over the last few years. By opening doors for many of these young men, we have had to rebuild and continue finding new talent to pursue our dreams.

The accomplishments of this team in the past few years include; National Cup finalists 2023, California Regional League Champions 2023 undefeated, Man City Cup 2023, Surf College Cup Champions 2021 and poised to compete in National League for the 2023-2024 year. The team is looking forward to having another great year while also pursuing to play at the next level in college in the following year.

# FUTBOL LEGACY

## BOYS 2007

As the football journey continues for the Boys. They have been blessed to continue on their development path. The core of the team continues to drive forward in their pursuit of continuous improvement, and we have welcomed some new players who are making great impact. One of the Boys was invited to the LAFC Academy, and the team had another successful run in FarWest Regionals this past June, where they reached the semifinal stages for the second consecutive year. Moreover, their CRL Championship has earned them the opportunity to play the National League Conference Playoffs this December in Orlando.

As we start the new CSL Premier Season for Fall 2023, we want to thank the parents who have been supportive of the Boys and continue to attend every game. The commitment from the parents and the players has been an essential component of their success on and off the field. The Club's goal of developing well-rounded athletes and good citizens remains at the forefront of the organization. The Boys have a strong focus on academics and enjoy good grades in school. We continue to instill the importance of core values as part of their overall development.

The Fall of 2022 had a very sad moment with the loss of Ayden Gomez, one of the Wolves players for several years. He passed away in November 2022, after a yearlong battle with Cancer. We were all extremely saddened by his passing. The team was able to visit him at his bedside and were present at his funeral. He will always be a part of the Wolves family and his Father Miguel continues to be a part of the team as he was present in the Spring at most of the team's National Cup games.

We look forward to a new season as the Boys transition to becoming young men who are pursuing opportunities to play in college and professional football. We want to acknowledge those who have helped the team behind the scenes and have made important contributions. In particular Mayor Rick Ramirez, the City of Norwalk and Santa Fe Springs for their support, the Norwalk La Mirada School District who have been supportive over the years with access to fields, and our families who have always supported the work that we do for the kids and their development.

### ROSTER:

Alejandro Amezcuita, Andres Alvarez, Lucas Bautista, Gerson "Chechito" Chavez, Julian Davila, Victor-Manuel "Archie" Enciso, Isac Gutierrez, Caliph Johnson, Chris Moreno, Oldany Mendez, David Muñoz, Henry Palencia, Javier Palomares, Angel Rabanales, Aldo Ramirez, Frank Reyes, Roland "Tana" Robinson, Johan Rodriguez, Ezequiel "Cheke" Santana, Kevin Sepulveda, Alan Solis, and Juanito Vasquez.

# APPLE VALLEY SC

## BOYS 2007

Storm Elite 2007 Boys team is starting its 2nd Premier season after placing 3rd in the Fall of 2022. The team competed in the California Regional League over the spring and placed 2nd even though they were undefeated.

When not playing in CSL, the team competes in top-level and college showcase tournaments throughout Southern California which include Surf Cup, Albion Cup, and National Cup. Storm Elite has played in many states including Utah, Arizona, and Nevada, and aims to compete in at least 2 out-of-state tournaments per year to expose them to different playing environments and teams.

Storm Elite has remained highly competitive since its inception and is composed of most of its original players, adding key players throughout to strengthen and keep the team at a top competitive level. The players' comradery and never-ending hard work are one of the reasons they are now playing at the Premier level. At AVSC Storm we not only strive to win and compete at the highest level possible but also to develop players into respectful young adults and open a multitude of opportunities beyond soccer.

# CENTRAL COAST CONDORS

## BOYS 2008

Central Coast Condors F.C. includes nineteen teams dedicated to providing a positive and competitive environment where players can maximize their athletic potential.

Our team is Condors B08 North, and we are committed to the long-term development of individual players as well as the team at large. The dedication, passion, and integrity of our players promotes their self-confidence and a love for the game that will stay with them long after the last whistle is blown. Our volunteer coach develops and supports our boys to perform at their best on and off the field and instills values of teamwork, sportsmanship, respect, and a strong work ethic. The team is currently comprised of 14 boys who share a passion for the game and for one another's success. Families on our team come from as far north as Paso Robles and as far south as Arroyo Grande.

Since our initial season five years ago, we have had success as a team and have moved up in brackets each year. We're looking forward to some good, competitive soccer and continued success both on and off the field.

# APPLE VALLEY SC

## BOYS 2008

In early 2022 Storm Red 2008 Boys team lost many players and was picked up by current coach Mike Zamora that Spring. After a hard CSL fall season in the Championship Division, playing many games with 10 players or no subs, the team overcame the adversity and placed 2nd in their bracket. Spring of 2023, the team revamped and added an extraordinary group of players - the team thrived and within 6 months the team had the following accomplishments:

- March 2023 Las Vegas Player Showcase Finalists
- March 2023 Presidents Cup Champions
- June 2023 California Regional League Champions
- June 2023 SoCal Elite California Super Cup Finalists
- June 2023 Far West Presidents Cup Champions
- July 2023 National Presidents Cup Champions
- July 2023 Albion Cup Champions
- August 2023 Orange County Kickoff Champions

Storm Red 2008 will be playing their first season in Premier this fall and have been invited to play in the National Pro League in Florida in December. At AVSC Storm we not only strive to win and compete at the highest level possible but also to develop players into respectful young adults and open a multitude of opportunities beyond soccer.
